

## 3<sup>rd</sup> Level review-

### Traditional Media (drawing)

Students will create, and bring to the review, an 8.5 by 11 drawing portfolio. Drawings will be scanned and printed, (using Photoshop to clean up any paper texture or inconsistency in the scan quality and to adjust for contrast).

### Portfolio Requirements:

1 page gesture from model session

2 pages character design

1 original character in your own *unique* style (No anime or fan art)

8 expressive pose illustrating body language and facial emotion

Drawings should be clean and show consistent anatomy

1 page street gesture

10 quick sketches of people, each should show individual personality and capture the whole figure

1 page animal gesture

10 quick sketches of animals

No fish no insects

2 pages of motion studies

Illustrate 4 separate actions. Each action should show 4 key poses.

(ex. Muybridge studies)

Drawings should be clean and have consistent line quality

1 page cityscape

Should demonstrate understanding of perspective and lighting

Clean line with good shading

1 full color illustration of your choice
